Abstract

This word file shows the recommended format of the paper for the 13th CERE S International Symposium on Remote Sensing from 29-30 October 2007 at Chiba University. The recommended font is 'Times New Roman' 10 points except the paper title, which is 14 points bold. Section titles must be written in bold letters. Color images or figures will be printed in black-and-white. The digital file of the paper must be submitted to the symposium secretariat by **28 October 2007** or directly submit to the registration desk at the Symposium. The page number **must not** be written on each page of manuscript.
